### CRUELTY BITES

1st ed. 2014; 6th ed. 2020 (Spanish edition)

**What is cruel? And what is not so cruel?  
Is it OK to kill ants? When?  
Would you like to live in a zoo? Why?  
Is it always cruel to make someone do something they don't want to do?**

### I, PERSON

1st ed. 2015; 5th ed. 2020 (Spanish edition)

**Who are you? And what are you? Are you absolutely sure you are a person? How do you know you are not really a robot? If you had more than one brain, would you be more than one person? What exactly is a person?**

### WHATEVER YOU WANT

1st ed. 2016; 5th ed. 2020 (Spanish edition)

**A playfully serious and seriously playful invitation to think about freedom. Who is the freest person you know?  
Are you free? If you were absolutely certain that nobody would ever find out, would you misbehave?  
Can we all do whatever we want at the same time?**

### PINCH ME!

2nd ed. 2020 (Spanish edition)

**An invitation to think about reality, imagination and dreaming. What if life is just a dream? A good old story? A grand illusion, perhaps? If you pinch yourself and it hurts, does it mean that you are not dreaming?**
