**Pinch Me!**

What if life is just a dream?  
A good old story?  
A grand illusion, perhaps?  
If you pinch yourself  
and it hurts, does it mean  
that you are not dreaming?  
What do you think?

Pinch Me! is the fourth title in the Visual Philosophy for All Ages series by Wonder Ponder. Half-way between a book and a game, it comes in a box and invites readers aged six and over (adults too!) to think about reality, imagination and dreaming in a playful, philosophically stimulating and literarily engaging way.
